Santa Fe Prevention Alliance’s 6th Annual

DWI MARCH OF SORROW

MARCH of HOPE

02.17.2015
New Mexico State Capitol, Santa Fe

Join us in a walk toward a brighter future. As a unified group of youth and adults, we will bring awareness that together it is possible to change the New Mexico landscape. On this day, we move forward in silent remembrance to honor those individuals who have lost their lives to a drunk driver.

The DWI March of Sorrow March of Hope is part of DWI Awareness Day at the Roundhouse. DWI Awareness Day at the Roundhouse is hosted by the DWI Coordinators Affiliate and will include an interactive educational experience for all ages.
